Provider Verification for Remote Participation as an Accommodation

To be completed by the student's current treating medical provider.

The following questions pertain to the specific accommodation of remote participation. This accommodation provides access to a live stream of lecture/section/lab. Students may be required to take exams/quizzes on campus and in person. This accommodation does not waive, negate, or substitute any requirements for in-class participation outlined in the course syllabus.

SECTION I: DIAGNOSIS

Instructions: Completely answer the following questions as the student's current treating medical provider

Today's date: 2024.04.21 Student's name: José Manuel Mejía Villena

How long have you been treating this student? 10 years

Date of your last evaluation of student: 2024.02.20

What is the student's diagnosis or diagnoses?
(Please include DSM 5 or ICD 10 diagnosis, if applicable) F42

Please list the tests or measures used to assess the student/determine the diagnosis:

Clinical interview

How does this accommodation fit with your treatment plan?

Fine

Date of your initial diagnosis: 2014.06.15

What is the anticipated duration of the condition? Lifetime

How many times have you seen this patient? 30

What are the student's current functional limitations due to their condition(s) that preclude physical in-person attendance? Check all that apply:

- ☐ Ambulation
- ☐ Motor Function
- ☐ Hearing
- ☐ Vision
- ☐ Cognitive Processing
- ☐ Social
- ☑ Emotional
- ☐ Other: _____

SECTION II: FUNCTIONAL LIMITATIONS

Describe how these functional limitations affect the student's ability to participate in person within the academic setting:

Obsessions and compulsions can interfere with his social interactions and consume time from work and study.

The severity of the condition (check only one):

- ☐ Mild
- ☑ Moderate
- ☐ Substantial
- ☐ Severe

Based on your treatment plan, please estimate the expected duration of severity. 3 months

Based on the overall severity of the condition, have you and the student discussed taking a medical leave of absence? Please describe why a leave of absence would not be effective.

No

Based on the overall severity of the condition, have you and the student discussed taking a reduced course load? Please describe why a reduced course load would not be effective.

~~The severity of the disorder varies over time; there may be times when the student requires a lower academic load.~~

Based on the overall severity of the condition, have you and the student discussed modified attendance (increased absence flexibility for in-person classes)?Please describe why modified attendance would not be effective.

~~The severity of the disorder varies over time; there may be times when the student requires a flexibility in attendance.~~

Based on the overall severity of the condition, have you and the student discussed modified participation (modifications to the course participation requirements)?

~~In case of reactivation of symptoms, the patient can participate in classes remotely~~

Please explain how the student's disability creates a significant barrier to their in-person attendance in the classroom:

Does the diagnosis require the student to remain quarantined or socially isolated?

- ☐ Yes
- ☑ No

If quarantine or social isolation is required, are there measures that can be put in place to mitigate concerns when the student must be in the presence of others (masking, social distancing)? Please specify the nature and effectiveness of these measures:

Can measures be put in place to mitigate disability-related functional limitations for in-person exams? Please specify the nature and effectiveness of these measures:

~~Yes, they could help~~

What recommendations do you have regarding accommodations that would enable the student to have equal access to educational opportunities at UCSB?:

~~The patient requires medication and cognitive behavior therapy~~

Please note any additional comments or concerns that would be helpful to know in evaluating the student's request for the Remote Participation Accommodation:

SECTION III: PROVIDER INFORMATION

Name of medical/mental health professional*: Johann Vega Dienstmaier

Title and license number*: MD, psychiatrist. CMP 30641 / RNE 13431

Address of medical/mental health professional: Scipión Llona 180-703. Lima 18. Perú

Phone number: (51) 998581175

Fax Number: -

Email* (for follow-up questions): johann.vega.d@upch.pe

Signature*: Johann Vega Dienstmaier Date: 2024.04.21
